### **Two families displaced by house fire**

[Lake Stevens, WA] – Firefighters were dispatched at 7:30 am to a report of a residential structure fire at the 400 block of 103<sup>rd</sup> Ave SE in Lake Stevens. Firefighters arrived on scene to find active fire coming from both levels of the home.

Engine 82 was first on scene and quickly pulled an attack hose line while additional units arrived. Engine 81's crew proceeded to the roof to cut ventilation holes as multiple firefighters worked to contain and extinguish the fire.

The two-story residence was home to two families. Two adults were living on the second floor, and two adults and three children were living on the first floor. All occupants were able to get out of the house with no injuries. The American Red Cross is assisting the displaced families.

Crews from Snohomish Regional Fire & Rescue, Everett Fire, Marysville Fire, Getchell Fire, and Snohomish Fire District 4 worked to extinguish the blaze. Crews will remain on scene throughout the day to check for hot spots and overhaul.

The residence was completely destroyed by the fire. The Snohomish County Fire Marshal is investigating the cause of the fire.

*At the beginning of 2020, Lake Stevens Fire and Snohomish County Fire District 7 merged agencies and formed Snohomish Regional Fire & Rescue. The district serves over 162,000 people over 140 square miles and is dedicated to saving lives, protecting property, safeguarding the environment, and taking care of people in a fiscally responsible manner. Snohomish Regional Fire & Rescue serves the cities of Lake Stevens, Mill Creek, and Monroe along with the unincorporated areas surrounding these communities. In 2019, emergency personnel responded to more than 17,000 emergency calls. Through community support, Snohomish Regional Fire & Rescue has built an advanced emergency response system in Snohomish County with highly trained personnel and progressive rescue programs. We appreciate your support and are grateful for the opportunity to serve our community.*
